

Master of Theological Studies Application for Financial Aid

The Master of Theological Studies program of St. Norbert College at its New Mexico campus offers financial aid to students. The decision to award financial aid is made by the Finance Committee. This aid is granted on the basis of demonstrated financial need. The funds are meant to assist with the cost of tuition only and cannot be offered to applicants whose tuition is completely paid for by some other aid source. The grants are distributed on a semester basis and must be applied for at least one month prior to the course for which one requests financial aid.
